

# Amused

I press play,  
I see the tape rolling  
I hear the melodies  
I look around me

The sun shines bright  
I run from the past  
I'm feeling amused  
The future will last  
I run so fast,  
The past to present  
I'm staying amused  
Tape keeps turning back

These chains  
Trap in 99  
Push me over  
In isolation  
These chains  
Trap in 99  
Just push me over  
In isolation

I press play,  
I look around me
